## Growing up photo montage

(maximum 30 pictures per song)

*The best way to do this is to provide approx. 8-10 pictures of the Bride growing up and 8-10 pictures of the Groom growing up. The pictures should span the time from early baby, to the age right before the couple started dating. Then provide approx. 8-10 pictures of the couple together through the span of their dating/engagement. The number of pictures can vary up or down, as long as the total does not exceed 30 pictures per song. The price quoted for photo montage is per song. A longer photo montage can be produced for \$4 per extra picture.*
